

WCA Member Climate Pledge

The WCA aims to accelerate decarbonisation of the cement and concrete industry by supporting members to set ambitious targets on reducing CO₂ emissions and encouraging collaboration both along the supply chain and across industries.

Name of Organisation:

By 2030 we pledge to:

By 2050 we pledge to:

Signed:

Date:

WCA welcome and applaud this pledge.

A handwritten signature in black ink, appearing to read 'IR', is placed over the WCA logo.
