

## **WCA Associate Corporate Membership Information**

### **Who can become a member of World Cement Association?**

Membership is open to companies, not-for-profit organisations, and individuals with a stake in the future of cement, clinker, and related materials.

**Associate Corporate Members:** are companies from associated industries e.g., engineering companies, main equipment manufacturer, construction materials producers, admixture manufacturers, concrete and manufacturers, trading companies, technology start-ups, industry consultancy services and any further categories that may be defined by the Board.

### **Associate Corporate Member Benefits Services and Activities:**

*WCA facilitates cooperation at sector level. This gives members opportunities to work across sectors on development of industrial symbiosis models that consider sustainability, digitalization and other trends which lead to new business opportunities for the building materials sector, benefiting both our members and society at large.*

#### **Join a global community:**

- meeting and networking opportunities - virtual and hybrid
- participate in WCA members' committees and networks
- discounted tickets to WCA events, open days, conferences – including opportunities to sponsor at a discounted rate.
- shared best practice, information, and resources

#### **Get the latest industry information and be at the cutting edge:**

- access to members-only virtual technical forums, in which relevant managers from member companies can share experience on a specific topic, learn from experts and see new technology in action.
- opportunities to learn about new technologies and assess the related prospects at a very early stage in their development, helping members to stay a step ahead of the competition.
- access to WCA webinars and podcasts, briefings, news, and information
- access to the members-only area of our website with technical reports, meeting minutes and presentations

#### **Gain exposure for your organisation:**

- opportunities to contribute to interviews, articles, podcasts and other trade media
- representation of members, and a chance for members and their employees to participate in international forums, platforms, and events
- bespoke listing on the WCA website
- discounted tickets and passes to WCA partner events

#### **Be a part of change:**

- WCA works together with its members to support a sustainable cement industry and encourages technical development and other steps to achieve full decarbonisation
