

WCA Corporate Membership Information

Who can become a member of World Cement Association? Membership is open to companies, not-for-profit organisations and individuals with a stake in the future of cement, clinker and related materials.

Corporate Members: shall only be cement or clinker manufacturers. Corporate Member applicants shall nominate a natural person to represent them together with an alternate. The Corporate Member representatives must be at senior level, Chairman, CEO, General Manager or have top level responsibility for the member company or its cement division.

Corporate Member Benefits Services and Activities:

WCA facilitates cooperation at sector level. This gives members opportunities to work across sectors on development of industrial symbiosis models that consider sustainability, digitalization and other trends which lead to new business opportunities for the building materials sector, benefiting both our members and society at large.

Shape the direction and priorities of WCA:

- as a corporate member your nominated representative is eligible for seat on the Board of Directors (subject to WCA AoA rules and election by members)
- corporate members have full voting rights at the WCA General Assembly

Join a global community:

- meeting and networking opportunities - virtual and hybrid
- participate in WCA members' committees and networks
- discounted tickets to WCA events, open days, conferences – including opportunities to sponsor at a discounted rate.
- shared best practice, information, and resources

Get the latest industry information and be at the cutting edge:

- access to members-only virtual technical forums, in which relevant managers from member companies can share experience on a specific topic, learn from experts and see new technology in action.
- opportunities to learn about new technologies and assess the related prospects at a very early stage in their development, helping members to stay a step ahead of the competition.
- access to WCA webinars and podcasts, briefings, news, and information
- access to the members-only area of our website with technical reports, meeting minutes and presentations

Gain exposure for your organisation:

- opportunities to contribute to interviews, articles, podcasts and other trade media
- representation of members, and a chance for members and their employees to participate in international forums, platforms, and events
- bespoke listing on the WCA website
- discounted tickets and passes to WCA partner events

Be a part of change:

- WCA works together with its members to support a sustainable cement industry and encourages technical development and other steps to achieve full decarbonisation
